Important information

Thank you for taking out travel insurance with Alliance Insurance Company P.S.C.

Your certificate of insurance shows the sections of the policy cover available, the people who are covered and any special terms or conditions that may apply.

Your policy does not cover everything. You should read this policy carefully to make sure it provides the cover you need. If there is anything you do not understand you should call us on telephone UAE +971 4270 8705 or write to Allianz Travel – NEXICARE, Eiffel Boulevard Limited Building (Eiffel 2) 1st floor, Umm Al Sheif, Sheikh Zayed Road PO80864 Dubai UAE or email: Travel-mea@allianz.com

The insurer
Your travel insurance is underwritten by Alliance Insurance Company P.S.C.

How your policy works
Your policy and certificate of insurance is an agreement between you, Alliance and us. We will pay for any claim you make which is covered by this policy and happens during the period of insurance.

Unless specifically mentioned, the benefits and exclusions within each section apply to each person insured or family in case of a family plan. Your policy does not cover all possible events and expenses.

Certain words have a special meaning as shown under the heading ‘Definition of words’. These words have been highlighted by the use of bold print throughout the policy document.

Telling us about relevant facts
At the time of taking out this insurance you must tell us about anything that may affect your cover, for example:

- the health of a close relative who is not travelling with you, but whose health may affect your journey or a travelling companion (see under the heading ‘Health declaration and health exclusions’ of this policy); or your redundancy.

If you are not sure whether something is relevant, you must tell us anyway. You should keep a record of any extra information you give us. If you do not tell us about something that may be relevant, your cover may be refused and we may not cover any related claims.

Cancellation rights
Travel Extra & Gold Policies
Once the premium has been paid, your policy cannot be cancelled, since the cancellation cover under Section 1 begins immediately after purchase. However, the cancellation is subject to sole discretion of the insurance company.

Travel Schengen cover
Premium refunds are only considered for single trip cover, when you are unable to obtain the necessary visas. Please notify the issuing agent within 48 hours of receiving your certificate of insurance or start date of the policy whichever is the earliest and return all your documents to them for a refund of your premium.

You should call us on telephone UAE +971 4270 8705 or write to Allianz Travel – NEXICARE, Eiffel Boulevard Limited Building (Eiffel 2) 1st floor, Umm Al Sheif, Sheikh Zayed Road PO80864 Dubai UAE e-mail Travel-mea@allianz.com

No premium refund will be given if
- You or any other person insured have travelled during this 48 hour period;
- You have made a claim or intend to make a claim;
- You have annual multi-trip cover. However, the cancellation is subject to sole discretion of the insurance company

Policy excess
Under some sections of your policy, you will have to pay an excess. This means that you will be responsible for paying the first part of the claim for each insured person, for each section, for each claim incident. The amount you have to pay is the excess.

Data protection
Information about your policy may be shared between us, Alliance the reinsurers or members of Allianz Travel for underwriting purposes.

You should understand that the sensitive health and other information you provide will be used by Alliance, us, our representatives (if appropriate), our reinsurers, other insurers and industry governing bodies and regulators to process your policy, handle claims and prevent fraud. This may involve transferring information to other countries (some of which may have limited or no data protection laws). We have taken steps to ensure your information is held securely.

Your information will not be shared with third parties for marketing purposes. You have the right to access your personal records.

Governing law
This policy will be in English. The policy will be governed by the law of the country of issuance as stated in the certificate of insurance.

Third party rights
This policy is intended solely for the benefit of you and us. Unless otherwise specifically provided, nothing in this policy shall be constructed to create any duty to, or standard of care with reference to, or any liability to, any person or entity not a party to this policy.

24-hour emergency medical assistance

Please tell us immediately about any serious illness or accident abroad where you have to go into hospital or you may have to return home early or extend your stay because of any illness or injury. If you are unable to do this because the condition is life, limb, sight or organ threatening, you should contact us as soon as you can. You must also tell us if your medical expenses are over US$250. If you are claiming for a minor illness or accident you should, where possible, pay the costs and reclaim the money from us when you return. You can call 24 hours a day 365 days a year or email.

Phone UAE +971 4270 8702
email international_dept@nextcarehealth.com

Please give us your name, age and your policy number. Say that you are insured with Alliance. Below are some of the ways the 24-hour emergency medical assistance service can help.

Confirmation of payment
We will contact hospitals or doctors abroad and guarantee to pay their fees, providing you have a valid claim.

Repatriation
If our medical advisers think it would be in your medical interests to bring you back to your home or to a hospital or nursing home in your home country, you will normally be transferred by regular airline or road ambulance. Where medically necessary in very serious or urgent cases, we will use an air ambulance. We will consult the treating doctor and our medical advisers first. If you need to go home early, the treating doctor must provide a certificate confirming that you are fit to travel. Without this the airline can refuse to carry any sick or injured person.

You can contact us at any time day or night. You will be answered by one of our experienced assistance co-ordinators who you should give all relevant information to. Please make sure you have details of your policy before you phone.

Health declaration and health exclusions

Exclusions relating to your health
1. You will not be covered for any directly or indirectly related claims (see note below) arising from the following if at the time of taking out this policy or booking your journey (whichever is later), you:
   a. are being prescribed regular medication;
   b. have received treatment for or had a consultation with a doctor or hospital specialist for any medical condition in the past 6 months;
   c. are being referred to, treated by or under the care of a doctor or a hospital specialist;
   d. are awaiting treatment or the results of any tests or investigations;
   If we are unable to cover a medical condition, this will mean that any other person insured by us will not be able to make a claim arising from the medical condition(s). This may even apply if the person with the medical condition(s) purchases cover from another provider.
2. You will not be covered if you travel against the advice of a doctor or where you would have been if you had sought their advice before beginning your journey.
3. You will not be covered if you know you will need medical treatment or consultation at any medical facility during your journey.
4. You will not be covered for any directly or indirectly related claim if, before your journey, a doctor diagnosed that you have a terminal condition.
5. You will not be covered if you were waiting for medical treatment or consultation at any medical facility or were under investigation for a medical condition when your policy was issued.
6. You will not be covered if you are traveling specifically for the purpose of obtaining and / or receiving any elective surgery, procedure or hospital treatment.

you were aware they have been receiving medical treatment or consultation at any medical facility for a medical condition in the last 12 months;
you were aware that a doctor had diagnosed them as having a terminal condition, or that their medical condition was likely to get worse in the next 12 months.

Note
Indirectly related claims
An indirectly related claim means a medical problem that is more likely to happen because of another medical problem you already have. Sometimes these conditions can lead to the development of other conditions. For example if you:
